

BETTER HOMIES

Michael and
Rosemarie Denistran

LOS ALTOS HOUSE

Michael and Rosemarie have been married 68 years strong and are an amazing couple. Michael is a former science teacher, and takes great pride in his yard and was shocked that his house was code enforced.

The work to be perform is to install plants and spread landscape rock throughout the front yard and to create a decorative design. The backyard will also require landscape rock to be designed and distributed.

This project has the attention of the Mercury News because of the code enforcement against this couple and their age.

The project will start at 8:00AM on Saturday the 14th and Bruce Pham will be the project leader.

Project is located at 2733 Los Altos Drive, San Jose.
